MESSAGE

Heartiest greetings and best wishes to the followers of Hazrat Nizamuddin Aulia on the auspicious occasion of the 719th annual Urs celebration.

India is a land known for its unity in diversity. Our social fabric has been strengthened by the cordial co-existence of diverse sects, communities and traditions. The prominent role played by the saints, *Pirs* and *Fakirs* in spreading the message of peace and compassion is a unique characteristic of our society.

Many Sufi saints and philosophers imparted the message of brotherhood to the people through their works. The contribution of Hazrat Nizamuddin Auliya in enriching these traditions is fondly remembered by the people. His thoughts will continue to inspire people.

The annual Urs celebrates the life and ideals of Mahbub-e-Ilahi. May his teachings continue to guide everyone towards building a just and humane society.

May the Urs celebrations further strengthen the bonds of brotherhood within the society and our nation.

Best wishes once again for the 719th Urs celebrations.
